

5/5/2022

As per the recent senate motions in favor of proceeding with a pilot of this new instrument to replace the previous student course evaluations, we met with the Survey Center 4/27/22 and also did some pilot testing with students regarding phrasing and words in questions 1 & 2. We also changed the order of Q's 5&6, 7&8.

This version represents the current version moving forward to Academic Technology for piloting this summer and fall. (bpw)
